

TECH Connection 2022

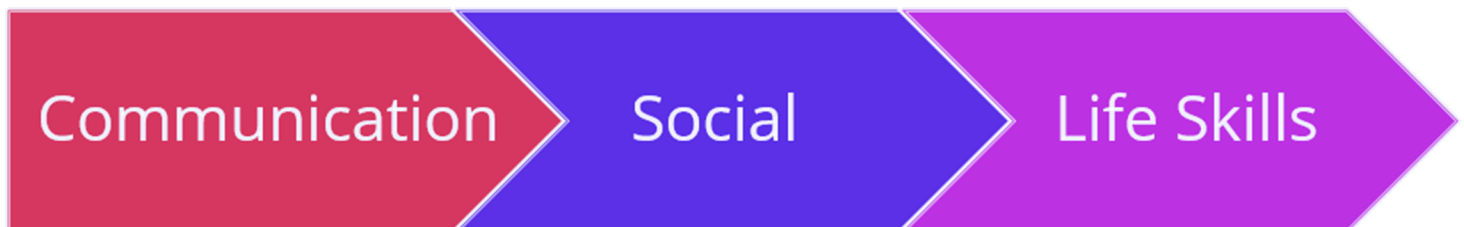

Do you have a teen or adult consumer that needs to practice communication, social, or life skills? If so, come join the fun!

TECH Connection is designed for consumers with special needs **ages 14 and up**. Each month we have a different focus area. Topics include: social communication, safety, listening skills, figurative speech, disaster preparedness, setting personal boundaries, and more. All lessons are reinforced by interactive games, websites and other technology. Participation is requested. Parent, guardian or support person must be available during each session.

Where? *ONLINE through ZOOM*
